

## On completion of this training, you will be able to

- Understand how you and others learn and process information
  - Increase flexibility and create change for yourself and others
  - Establish and maintain rapport
  - Design and deliver learning sessions for adults in NZ's cultural environment
  - Create and use metaphor in education and therapy
  - Use the allergy cure, anchoring, chunking, reframing, and other NLP therapeutic interventions
  - Use the Milton model and the Meta model language patterns for change
  - Manage interpersonal conflict
  - Detect, elicit, use, and install strategies
- And much much more

## Are you one of the lucky twelve in 2010?

*"Enriching course – on many levels"*

*Sandra White – Practice nurse*

*"A comprehensive course facilitated with sensitivity and paced to cater for individuals' differing needs."*

*Maureen Vance – Manager,  
Adult Reading Assistance Scheme*

*"The course surpassed my high expectations. The program spread over six months was beneficial in that the space between weekends helped integrate learning. The trainers were excellent, and the whole program was very practical for business people."*

*Bruce White – General Manager*
